SAE INNOVATION CHALLENGE

Under the banner of SAE Club every year IIT Patna's teams take part in Supra SAE India and Enduro Student India. Here is an opportunity for you to present your innovative idea, which can be implemented in these vehicles. The Innovation can be Mechanical, Electrical or just an App. For e.g. this year an android app was developed for our Supra car which in case of any accident sends the coordinates (latitude/longitude) to your friend so that they know where the accident has occurred.

Budget: Rs 3000

→ First Prize: Rs 1500→ Second prize: Rs 750

- → Rs 500 for refreshment of participants.
- → Rs 250 for pens, paper, printing.
